

# Trixxia Message Box (TMB)

The objective of TMB platform is to provide Mobile Interactivity (MI) to participants in a conference. Our two-way information system allows you to broadcast information to participants and solicit feedback from them simultaneously. Thus, we are encouraging participants to sms out what is in their mind without the feeling of inferiority complex. Now, **EVERYBODY CAN ASK QUESTION!**

TMB is a solution for the MICE (Meetings, Incentives, Conventions, and Exhibitions) industry. It's a complimentary solution provided for the above industry.

-  **TRIXXIA Event Board**  
interact with your participants
-  **TRIXXIA Event Poll**  
every participant vote counts
-  **TRIXXIA SMS Blast**  
keep participants informed
-  **TRIXXIA Lucky Draw**  
reward loyal participants

**TRIXXIA**  
solving towards perfection

All these are built on TMB platform. For more information, please logon to our portal at [www.trixxia.com](http://www.trixxia.com) or email us at [tmb@trixxia.com](mailto:tmb@trixxia.com)
